

2022-2023 Nomination Form

Please complete the form below and send it no later than **31 July 2022** to Jodi Metzgar of the ISTM Secretariat (Email: jmetzgar@ISTM.org). With this form candidates must also submit an up to date, full length Curriculum Vitae (CV), and three letters of recommendation from others in the travel medicine community. Please note that one of the letters of recommendation must be provided by a current ISTM Fellow. To find the list of ISTM Fellows and more information about the program, please consult the ISTM website at: <https://www.istm.org/fellowsprogram>.

Each section of this form must be completed; if no response in a section is warranted, please insert “Not Applicable”.

ISTM Fellows are recognized leaders in the field of travel medicine and in the ISTM. As such, ISTM Fellow candidates must have maintained membership in the ISTM for a minimum of 5 years and usually will have participated actively in leadership positions in the society. Candidates with 5-10 years of membership will be considered for accelerated advancement to Fellow status, which will require an exceptionally strong record of accomplishments. In addition to the membership criterion, a candidate must also meet the first criterion, and at least 3 of the subsequent 4 criteria to be considered:

1. Has achieved and maintained their Certificate in Travel Health or an equivalent certification;
2. Has demonstrated advocacy for the practice of travel medicine nationally, regionally and/or internationally;
3. Has participated in travel medicine educational programs, including those of ISTM and other regional or national travel medicine or related professional societies;
4. Has fulfilled criteria on one or more of the following tracks:
 - i. Clinical: has practiced travel medicine for no fewer than 10 years
 - ii. Researcher: has contributed to the literature in a substantive and meaningful way
 - iii. Policy: has contributed to the development of travel health guidelines and recommendations nationally and/or internationally and contributed to efforts at dissemination of policy changes.
