FOUNDED

WHO WE ARE

The **International Society of Travel Medicine (ISTM)** is the leading global organization of clinically-trained travel medicine specialists dedicated to promoting the healthy, safe, and responsible travel and movement of all people.

Members include physicians, nursing professionals, pharmacists, public health officials and other health professionals, as well as others working in the travel and travel related industries.

ISTM strives to promote the field of travel medicine through the dissemination of information, providing ample networking opportunities for travel medicine health professionals, developing educational programs and products, facilitating international contacts and fostering research in travel medicine.

“... where safe journeys meet extraordinary travelers.”

Why Partner With ISTM?

ELEVATE

your visibility with a global audience, connecting with professionals from over 100 countries

ENGAGE

with influential leading experts, decision makers and prescribers in the travel medicine field

EXPAND

your network by building international partnerships

OUR JOURNEY STARTS HERE

Partnering with the International Society of Travel Medicine (ISTM) is more than sponsorship – it is an investment in global health, innovation and the future of safe travel. As the world's leading society dedicated to travel medicine, ISTM unites experts, researchers and practitioners from across continents to share knowledge, advance science and improve the health of millions of travelers every year.

By joining ISTM as a valued partner, your organization stands at the forefront of this important mission. Your support not only strengthens our educational programs and professional development initiatives, but also signals your commitment to leadership in advancing healthier journeys worldwide.

Together, we are shaping the future of travel medicine. Your partnership helps elevate the practice, expand the reach of vital knowledge, and ensure that travelers everywhere can explore the world with greater confidence and safety.

Global Partner Sponsorship Program

LEVELS OF SPONSORSHIP

GLOBAL TRAILBLAZER

USD \$250,000 and above

GLOBAL PIONEER

USD \$200,000 and above

GLOBAL VOYAGER

USD \$150,000 and above

GLOBAL EXPLORER

USD \$100,000 and above

GLOBAL NAVIGATOR

Below USD \$100,000

ISTM is excited to continue the Global Partner Sponsorship Program – a dynamic and flexible way for companies to engage with our mission while receiving meaningful recognition for their support. Unlike traditional sponsorships that focus on single events, this cumulative model highlights and celebrates those partners who contribute across ISTM initiatives throughout the year.

The program is designed to give sponsors choice and flexibility. Partners may secure their level of support at the start of the year, or participate à la carte – selecting opportunities such as research grants, webinars, corporate membership, the Innovation Summit or other programs as they arise. As sponsorships accumulate, partners are recognized at the highest applicable level, ensuring their visibility grows alongside their commitment.

In addition to the recognition earned through the Global Partner tiers, sponsors continue to enjoy all the benefits associated with each program they choose to support. This cumulative approach maximizes both impact and visibility – aligning sponsor investments with their strategic goals while strengthening ISTM’s ability to deliver cutting-edge education, foster innovation and advance global travel health.

Global Partnership Benefits

BENEFITS					
Opportunity to participate in a virtual Quarterly Leadership Briefing					
Branded email to ISTM database					
Priority selection of Industry Innovation Sponsorships and time slots					
Branded banner on membership only webpage					
Opportunity to be featured in ISTM eNewsletter					
Recognition across ISTM publications, website and eNewsletter					

“With Global Partner recognition, you don’t just get the benefits of each program you sponsor – you also gain elevated visibility and prestige through your cumulative support.”

SPONSORSHIP OPPORTUNITIES

ISTM

INTERNATIONAL SOCIETY OF TRAVEL MEDICINE

Webinars

ISTM webinars bring together professionals from across the travel health spectrum to discuss practical approaches, best practices, and global trends impacting travelers and the travel industry. Webinars cover a broad range of topics including emerging infectious diseases, vaccination updates, clinical best practices, and innovations in travel medicine. These sessions attract a global audience of clinicians, researchers, and public health leaders seeking the latest guidance and knowledge.

SPONSORSHIP BENEFITS

- Recognition as a sponsor of the webinar session
- Logo visibility on all promotional materials (email announcements, website and social media)
- Acknowledgment by ISTM at the opening and closing of the webinar
- Long-term exposure through archived recordings in the ISTM Learning Center (1,000+ annual views)
- Opportunity to demonstrate commitment to advancing evidence-based education in travel medicine

AUDIENCE REACH

- Live attendance: approximately 400 professionals per session
- On-demand reach: 1,000+ per year
- Attendees include physicians, nurses, pharmacists and global health experts

INVESTMENT

- USD \$35,000 for a sole sponsorship
- USD \$20,000 for a joint sponsorship

Podcast

ISTM podcasts provide an engaging and accessible platform for thought leaders and experts to discuss emerging issues, clinical insights, global trends, and real-world experiences shaping the field of travel medicine and global health. Podcast episodes allow listeners to access timely educational content on-demand while commuting, traveling, or within their clinical practice environment, helping extend ISTM's educational reach worldwide.

SPONSORSHIP BENEFITS

- Recognition as a sponsor of the podcast session.
- Logo visibility on all promotional materials (email announcements, website and social media)
- Acknowledgment by ISTM at the opening and closing of the podcast
- Long-term exposure through archived recordings in the ISTM Learning Center
- Opportunity to demonstrate commitment to advancing evidence-based education in travel medicine

AUDIENCE REACH

- Nearly 15,000 streams annually
- Listeners/viewers include physicians, nurses, pharmacists, global health experts and travelers

INVESTMENT

- USD \$15,000 for a sole sponsorship
- USD \$10,000 for a joint sponsorship

Travel Medicine Review & Update Course

The Travel Medicine Review and Update Course (TMRUC) is a multi-day, intensive educational program designed for clinicians and experienced professionals to refresh and expand their knowledge. Clinicians who are preparing for the ISTM Certificate in Travel Health™ (CTH®) will also find the TMRUC to be a helpful study resource.

The course features a comprehensive curriculum covering a broad range of topics—vaccine-preventable diseases, malaria and vector-borne illnesses, emerging infections, travelers with special needs and best practices in pre-travel consultation. Sponsorship of TMRUC demonstrates your company's commitment to advancing clinical excellence and supporting global health education.

SPONSORSHIP BENEFITS

- Recognition as a course sponsor in all marketing and promotional outreach (emails, website, social media)
- Name visibility printed/virtual program and ISTM Learning Center recordings
- Verbal acknowledgment at the opening and closing sessions
- Long-term exposure through archived recordings accessed by ISTM members worldwide
- Association with ISTM's mission to improve the practice and science of travel medicine

AUDIENCE REACH

- 300 live participants from over 50 countries
- Ongoing on-demand reach through the ISTM Learning Center
- Participants include physicians, infectious disease specialists, nurses, pharmacists and other healthcare professionals focused on travel medicine

INVESTMENT

- USD \$75,000 for a sole sponsorship
- USD \$40,000 for a joint sponsorship

GeoSentinel® is a global research and surveillance network of the International Society of Travel Medicine.

RESEARCH GRANTS

GeoSentinel offers opportunities for organizations to support high-impact research initiatives focused on travel medicine, infectious diseases, surveillance, data analytics, and emerging global health threats. Funding partnerships help advance collaborative research projects across the network's international sites and contribute to the development of evidence-based solutions that improve patient care and public health outcomes.

Research support opportunities may include:

- Investigator-initiated research projects
- Multi-site surveillance studies
- Data analysis and reporting initiatives
- Educational and scientific collaborations
- Emerging infectious disease response projects
- Capacity-building and site engagement initiatives

Recognition & Visibility

- Recognition as a research supporter on the GeoSentinel website
- Acknowledgment in project-related materials, presentations, and reports
- Recognition in annual reports and sponsor signage
- Logo placement on funded project materials where appropriate
- Recognition during the GeoSentinel Annual Meeting

Research support opportunities are customized based on the scope, complexity, duration, and resource needs of each individual project. As such, support amounts may vary depending on the specific research initiative, level of collaboration, participating sites, and overall project objectives. GeoSentinel welcomes discussions with potential partners to identify mutually beneficial opportunities that align with both organizational priorities and the network's scientific mission.

ANNUAL MEETING

The GeoSentinel Annual Site Directors Meeting brings together site directors, network leadership, investigators and collaborators from across the globe for strategic discussions focused on surveillance, emerging infectious diseases, research priorities, data modernization and the future direction of the network. The meeting serves as a critical forum for collaboration, scientific exchange, operational planning and strengthening engagement across the international GeoSentinel network. Topics include emerging outbreaks, surveillance initiatives, research and publication updates, vaccine and therapeutic developments, enhanced surveillance strategies, external collaborations and future funding opportunities.

SPONSORSHIP BENEFITS

- Recognition as an Annual Meeting Supporter in meeting materials and communications
- Acknowledgment during meeting opening and closing remarks
- Logo recognition on select meeting signage and digital materials
- Recognition on the GeoSentinel website and post-meeting communications
- Opportunities to engage with network leadership and attendees during networking functions
- Two complimentary registrations for designated representatives

INVESTMENT

Support of the GeoSentinel Annual Site Directors Meeting is available. Support helps facilitate the gathering of international site directors, network leadership, investigators and collaborators for strategic discussions surrounding surveillance, emerging infectious diseases, research priorities, data modernization and the future direction of the network.

GeoSentinel is committed to scientific integrity, transparency and independent oversight in all funded activities.

CISTM20 Sponsorship Opportunities

SPONSORED NON-CME SYMPOSIA

USD \$75,000 | 6 available

Sponsored symposia provide industry partners with a 45–60 minute opportunity to deliver an educational session for CISTM20 participants. Sessions should focus on advancing knowledge in travel and global health, including new scientific data, clinical best practices or case-based insights.

- Function space, 400 seats
- Promotion of the program in the CISTM20 mobile app,
- Website and final program
- One email broadcast to pre-registered conference attendees
- One advertising insert in the CISTM20 registration bag
- Basic audiovisual set-up
- On-site AV tech
- Food and Beverage are included in the cost.
- Recording of session available at additional cost.

EXPERT ADVISORY DIALOGUE

USD \$50,000 | 6 available

A 90-minute, small-group discussion (8–10 invited participants) convened by ISTM and supported by the sponsor. These sessions focus on a defined scientific or clinical topic relevant to travel and infectious disease medicine. The purpose is to facilitate evidence-based exchange of perspectives among experts, with ISTM providing moderation and oversight to ensure balance and educational value.

LEARNING LOUNGE

USD \$35,000 | 6 available

The Learning Lounge offers industry partners a 30-minute opportunity within the exhibit hall to deliver an educational session or scientific demonstration for CISTM20 attendees. Sessions are intended to share data, research, best practices or innovations relevant to travel and global health, and are framed as learning opportunities rather than promotional presentations.

CISTM20 Branding Opportunities

REFRESH & RECHARGE STATION

USD \$50,000 | Sole Sponsorship

This opportunity includes a branded charging lounge, refreshment station, and hanging signage, making it a gathering place for all attendees entering the exhibit hall. Refreshments will be available during exhibit hall hours. The charging lounge offers prime brand placement, and the custom hanging signage will be a focal point in the hall and will drive attendees to this area.

SOCIAL MEDIA WALL

USD \$30,000 | Sole Sponsorship |
Approximately 7' x 5' Display

Showcase your company's name/logo by sponsoring the social media wall. This prominent screen displays a live running feed with the CISTM20 hashtag. Situated in a high-traffic area, this board is a unique opportunity to highlight your company in a place that will draw many attendees' eyes.

CIRCULAR CHARGING LOUNGE

USD \$30,000 | 2 available

This charging configuration in the exhibit hall consists of 12 seats and six charging swing tables. Each charging table offers two, electrical outlets and two USB outlets and comes with a universal adapter that fits all major cell phones and tablets.

CONFERENCE WI-FI

USD \$25,000 | Sole Sponsorship

Support complimentary Wi-Fi access at the conference hotel. Support is recognized on a registration bag insert, and onsite signage. Receive exclusive airtime with your company name and logo provided on the splash screen each time someone opens the Wi-Fi.

CISTM20 Branding Opportunities

REGISTRATION BAGS

USD \$20,000 | Sole Sponsorship

Feature your company logo on the conference tote bag. Your logo will be visible throughout the entire conference and beyond. This exclusive opportunity allows you to showcase your brand alongside the CISTM20 logo on the official registration bag. Production is included.

LANYARDS

USD \$10,000 | Sole Sponsorship

Showcase your logo on the lanyards worn by all attendees at the conference. Since everyone is required to wear a badge to access the exhibit hall and meeting spaces, your brand will be highly visible. Production is included.

REGISTRATION BAG INSERT

USD \$5,000 each

Take advantage of the opportunity to catch the attention of delegates by putting an insert into the bags that each delegate receives onsite. All inserts must be submitted to ISTM for approval prior to printing.

EXHIBIT HALL COLUMN TOWER

USD \$15,000 each | maximum 2 per company

Place your company's product or logo on custom, free-standing towers located inside the exhibit hall. Multiple sponsorships are available.

CISTM20 Branding Opportunities

REGISTRATION COLUMN WRAPS

USD \$10,000 each | maximum 2 per company

Take advantage of the opportunity to catch the attention of delegates by putting a column wrap around existing pillars near the CISTM20 registration desk. All wraps must be submitted to ISTM for approval prior to printing.

FLOOR DECALS

USD \$3,500 each

Decals are a great way to drive traffic to your booth, providing recognition and distinguishing your company from your competitor. Offer directions to your booth, your website, or your newest product on a sticker placed at the entrance of the exhibit hall leading to your booth. Decals can be made into custom shapes and sizes.

Missy Zagroba, ISTM Executive Director,
at mzagroba@istm.org

Guidelines For Support

Supporting an ISTM event or educational activity not only offers a more rewarding experience for attendees, but also maximizes your company's visibility. Support is not limited to these suggestions; ISTM encourages new and creative ideas that contribute to the quality of the meeting.

Right of First Refusal

ISTM adheres to a right of first refusal process for organizations who have supported particular programs or activities the previous year. This means that the previous year's supporter is given the option of confirming support of the same program or activity at next year's meeting before sponsorship of that function can be offered to another organization. Because some activities cannot happen without support, it is necessary to confirm funding at the earliest possible date in order to stay ahead of planning schedules.

Previous sponsors, therefore, have until 1 August 2026, to confirm their interest in supporting the same program/ sponsored item(s) for 2027.

Policy on Satellite Programs

The policies outlined in this guide represent the only acceptable method for the provision of educational sessions at CISTM20. Satellite sessions, or those planned without the input or invitation of ISTM, are not permitted before, during or after CISTM20.

Working with Third-Party Vendors

A corporate sponsor may wish to designate an advertising firm, communications company or other third-party vendor to act on its behalf in coordinating aspects of their support of CISTM20. If a third-party vendor is used, support must be confirmed in writing and a three-party letter of agreement is signed by all parties involved. To initiate this process, the corporate partner should submit a request in writing to ISTM. The request should include the following:

- The name and contact information of the third-party vendor
- A detailed list of the programs and tasks the third-party vendor will assume

AN INVITATION TO EXHIBIT AS WE CONNECT OUR WORLD THROUGH TRAVEL MEDICINE: CELEBRATING THE 20TH CISTM

Position your organization at the center of the global travel medicine community by exhibiting at the 20th Biennial Conference of the International Society of Travel Medicine (CISTM20). As the premier international event in the field, CISTM20 attracts a highly targeted audience of clinicians, researchers and decision-makers actively seeking the latest innovations, products, and services.

Hosted by ISTM, the leading authority in travel medicine, this conference offers unmatched access to influential professionals from academia, public health, government and industry. With dedicated exhibit time, high-impact networking opportunities and a truly global audience, CISTM20 is your opportunity to build relationships, elevate your brand and drive meaningful business outcomes.

ISTM is pleased to offer a 20% discount on listed exhibit booth pricing for not-for-profit organizations and companies based in the host country of CISTM20. This initiative is intended to support mission-driven organizations and encourage strong local engagement in the conference.

If your organization is focused on advancing travel health, supporting clinical practice, or delivering innovative solutions, CISTM20 is where you need to be.

For more information on exhibiting at CISTM20, please contact Missy Zagroba, ISTM Executive Director, at mzagroba@istm.org

General Booth & Exhibit Information

1. If the exhibit floor is not carpeted, booth floor covering is mandatory and is the responsibility of the exhibiting company. Exhibitors may rent carpet/floor covering or supply their own.
2. Booths must be clean following move-in prior to the hall opening. ISTM may order cleaning if necessary and bill the exhibitor.
3. All exhibitors will receive the official service kit from our contracted decorator after their booth assignment has been confirmed. The service kit will contain information on:
 - o Freight handling and shipping
 - o Labor regulations
 - o Furniture, display, and other decorating rentals
 - o Electrical
 - o Internet
 - o Telephone
 - o AV/Computer needs
 - o Lead retrieval information
4. Exhibit staff badges are required and are included in each booth package. Exhibit Booth Staff badges allow entry to the exhibit hall only.
5. The exhibit area will be open to delegates during Exhibit Hall hours. As such, ISTM, the exhibit service contractor and the meeting venue shall not be held responsible for any loss or damage to exhibitor property. Security will monitor the area when the hall is closed.
6. ISTM must pre-approve all messaging to be sent to registered meeting delegates.
7. Attire of exhibit personnel should be consistent with the business casual atmosphere of the convention.
8. If it becomes necessary to relocate an exhibitor after a booth assignment has been made, ISTM will contact the company involved and every effort will be made to reassign the exhibitor to a similar booth space.
9. Cancellations will be accepted in writing until 2 February 2027. A full refund minus a processing charge of \$500 will be granted.
10. No refunds will be given for cancellations made after 2 February 2027.

ISTM reserves the right to reject any exhibit application; to reject, prohibit, restrict or otherwise require modification of any exhibit; and to evict any exhibitor whose conduct or materials are objectionable to ISTM for any reason.

Exhibit Hall Information Rules and Regulations

1. ISTM requires compliance with the Americans with Disabilities Act (ADA) within the exhibitor's booth
2. Only ISTM-approved decals, pins and ribbons may be affixed to delegate or exhibitor badge holders.
3. Demonstrations by exhibitors must be pre-approved by ISTM, occur within exhibitor's assigned booth space and may not interfere with normal traffic flow nor infringe on neighboring exhibits.
4. Canvassing or distribution of advertising material outside of an exhibitor's booth is prohibited.
5. ISTM must be notified if an exhibitor plans to distribute food or beverage items in the exhibit hall. All such items must be approved by ISTM and ordered directly from the meeting venue.
6. Subletting of exhibit space is prohibited. Sharing is only allowed within divisions of the same company.
7. Illuminated displays and other equipment requiring electrical current must conform to local electrical codes. More information on the specific requirements for electrical equipment will be included in the Exhibitor Service Kit.
8. Exhibit booth set up/dismantling may only occur during times determined by ISTM unless pre-approval is granted in writing by ISTM staff. Packing of equipment, literature or dismantling of exhibits will not be permitted until after the Exhibit Hall officially closes. Exhibitors who do not keep their booths operating until the official closing time risk a \$500 fee and jeopardize their participation at future ISTM meetings.
9. Exhibitors are required to conform to all local labor regulations in the installation/dismantlement of their booth fixtures. More information on the labor regulations is included in the Exhibitor Service Kit.
10. Prize contests, awards, drawings, raffles, or lotteries of any kind held at any time or place within the CISTM20 Meeting properties are not permitted. Attendees may not be registered for drawings, raffles or lotteries, which might be conducted after CISTM20. Gaming devices of any kind are not allowed in the exhibit hall.
11. Giveaways and samples may be distributed from your exhibit booth in compliance with applicable guidelines (see below).
12. Selling of products/services is prohibited. Order forms may be distributed, but no payments may be accepted.
13. Exhibitors must obtain explicit consent from attendees before using the lead retrieval system to gather and save attendee data.

COMPLIANCE

ISTM is a high-level, professional conference governed by industry best practices, integrity and excellence. To ensure the highest standards are met, ISTM encourages exhibitors' compliance with all applicable guidelines and regulations.

- PhRMA Code on Interactions with Healthcare Professionals
- ACCME Standards for Integrity and Independence in Accredited Continuing Education
- AMA Physician's Recognition Awards
- AMA Opinion 9.6.2 - Gifts to Physicians from Industry
- AMA Opinion 9.2.6 - Continuing Medical Education
